Dear Sir/Madam:

This is a request to obtain a waiver of the distance limitation for opening a Group Residential Care Facility.

I reside in 3508 Chad Circle Las Vegas, NV 89110 and I am planning to turn it into a Group Residential Care Facility for 9 elderly people. There is another residential care facility +/- 1,000 sq ft away that is why I am requesting for the waiver.

I don't believe that having another residential facility is hazardous to the health and safety of the general public or the residents of the existing facility. Both facilities will not inhibit the integration of disabled persons into the community or neighborhood.

Thank you,

Braggi Galan
